

The Mutation Cycle of Night Ninja Mike

Subject: Michaelangelo
 Mutation Speed: .00057 Seconds

REAL TIME MUTATION CYCLE

NIGHT NINJA NOTATION:

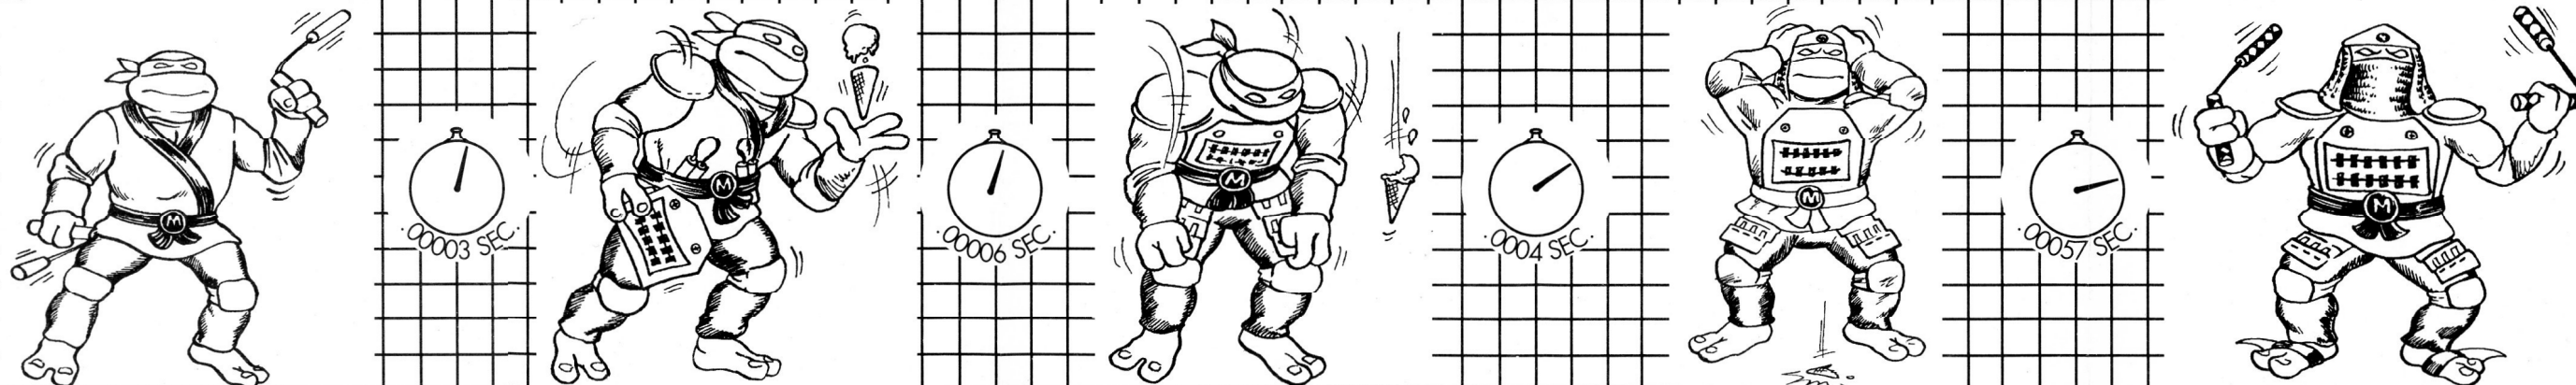

Night Ninja Mike
 Mike uses his quick Mutation process whenever there's an emergency or a party. He's super fast, super silent and all Ninja in his chest armor, leg pads and cool party hood.

Special Note: Don't try this at home, as indigestion may occur.

Mutation Process in Super Sewer Slow-mo!

As Mike begins his high speed Mutation Process, he quickly grabs some anchovy ice cream! Flippin' on his chest armor, Mike tosses the frozen treat. With ultra speed, Mike snaps on his Foot spikes and finishes lickin'. Finally, he whips on his hood - it's time to party!
